MARCH 24-26, 2017

Cutting-edge surgical education | All in one place

www.milanomasterclass.it

Dear Colleague, Dear Friend,

We gratefully acknowledge the cutting-edge contribution of the Faculty who have worked tirelessly, devoted many precious hours, and shared their passion and expertise in creating a unique educational programme.

The programme has been specifically designed for both newcomers and experienced surgeons. While younger surgeons will be taught the fundamentals of safe and reproducible surgery, senior colleagues will have the opportunity to refresh their ideas in critically important issues.

From Friday the 24th until Tuesday the 28th, world-class experts will present their innovative techniques that will enhance our armamentarium of accessible solutions for both common encounters and atypical challenges. Each day's teaching and interaction will feature arenas for case-discussion, technically - focused lectures, masters' duels from opposite standpoints, crossfire panels, tutorial video sessions, selected oral and video abstract presentations, and spirited discussion on controversial issues.

During the last 16 years, 8 Milano Masterclasses have witnessed the participation of almost 4000 participants from 87 countries. The global success of MiMa is surely due to its excellence in education and capacity for constant reinvention of format and goals. But what makes MiMa really unique is also its "good feeling factor" made by warm Italian hospitality, quality Italian cuisine during coffee and lunch breaks, stunning Gala dinners set in the splendour of historical Italian palaces, and the opportunity to make new international friends in a relaxed, friendly atmosphere.

Milan is the ideal venue for such a high-power event. The combination of cultural heritage, such as the Duomo and Da Vinci's Last Supper, the world-famous fashion industry and design, an unequalled shopping experience, and a superlative cuisine create a unique recipe for continuing success.

We genuinely hope to welcome you in March 2017 in Milano!

Arrivederci?

Paolo Castelnovo & Pietro Palma

SEGMENT 1

March 24-26, 2017

ENDOMILANO Sinus | Skull Base | Orbit

Director: **Paolo Castelnovo**

FRIDAY | MARCH 24th

7:30 - 8:00 | **Opening remarks**

Castelnovo - Palma

8:00 - 8:30

KEYNOTE LECTURE

How many cells are in the ethmoidal labyrinth? You'll be surprised to learn the truth.
Stammerger

8:30 - 10:15 | Session # 1

The warning signs of impending failures of FESS. "I should not have operated on that patient..."

Facilitator: **Bernal-Sprekelsen**

POINT / COUNTERPOINT

Bernal-Sprekelsen

Medical treatment of chronic rhinosinusitis. Have we lost the wood for the trees? **Hopkins**

Patient selection for sinus surgery – A science or an art? **Sama**

Patient framing. A simple and effective way to predict outcomes of FESS. **De Bernardi**

Not all polyps are the same: The emerging role of endotypes in chronic rhinosinusitis. **Gallo**

Osteitis in chronic rhinosinusitis: which came first, the chicken or the egg? **Tomazic**

VIDEOBOX

A challenging case of mine - How the Faculty would have done it, but this is what I did.
3 videos, 3 mins each: **De Bernardi, Hopkins, Tomazic**

STRUCTURED DISCUSSION & OPEN MIC

10:15 - 10:45 | Coffee Break in the Exhibitors Area

10:20 - 10:40 | Coffee-time Breakout "The Selected Speakers Corner"

10:45 - 12:30 | Session #2

Everyday surgical encounters. Key technical refinements to improve outcomes.

Facilitator: **Georgalas**

POINT / COUNTERPOINT

Georgalas

Curved" CT-scanning: A better way to understand the sinuses? **Stammerger**

Endoscopic sealing of septal perforations: An old problem looking for a new solution. **Padoan**

Show me the way. Middle turbinate frontal sinusotomy. **Meco**

Improving outcomes in endoscopic repair of choanal atresia: Technical refinements. **Hassab**

Things you might consider in revisional FESS.

Bernal-Sprekelsen

A bad workman blames his tools: When instrumentation does really matter.

Bignami

VIDEOBOX

A challenging case of mine - How the Faculty would have done it, but this is what I did.

3 videos, 3 mins each: [Bignami](#), [Meco](#), [Mokarbesh](#)

STRUCTURED DISCUSSION & OPEN MIC

12:30 - 14:00 | Buffet Lunch in the Exhibitors Area

12:40 - 13:40 | Lunch Symposium / FLO (Focussed Learning Opportunity)

14:00 - 15:30 | CASE-DISCUSSION ARENA #1

The latest techniques in endonasal approaches to the frontal sinus.

Facilitator: **Sama**

POINT / COUNTERPOINT

Sama

Experts sitting in the dock: [AlQahtani](#), [Georgalas](#), [Pianta](#), [Stamm](#), [Stammberger](#)

STRUCTURED DISCUSSION & OPEN MIC

15:30 - 16:30 | AFTERNOON AT THE MOVIES – Frontal sinus surgery.

Facilitator: **Sama**

Operators: [Herman](#), [AlQahtani](#), [Georgalas](#), [Pianta](#), [Castelnuovo](#)

16:30 - 17:00 | Coffee Break in the Exhibitors area

16:35 - 16:55 | Coffee-time Breakout "The Selected Speakers Corner"

17:00 - 18:45 | Session #3

A newfangled method of thinking and executing maxillectomies and transmaxillary approaches.

Facilitator: **Castelnuovo**

POINT / COUNTERPOINT

Castelnuovo

Maxillary sinus approaches for odontogenic complications.

Felisati

A review of indications for the pre-lacrimal approach.

Herman

A new method for classifying transnasal endoscopic maxillectomy.

Turri-Zanoni

Endoscopic Denker approach: When and how.

Janakiram

Endoscopic transnasal surgery of Pterygo-Palatine Fossa & InfraTemporal Fossa.

Prepageran

Finding the Internal Carotid Artery (ICA) during endoscopic nasopharyngectomy.

Battaglia

VIDEOBOX

A challenging case of mine - How the Faculty would have done it, but this is what I did.

3 videos, 3 mins each: [Janakiram](#), [Prepageran](#), [Battaglia](#)

STRUCTURED DISCUSSION & OPEN MIC

19:00 | **Adjourn**

7:45 | Opening: The day in review

Castelnuovo

8:00 - 8:30

KEYNOTE LECTURE

Technological advances in skull base surgery.

Kassam

8:30 - 10:15 | Session #4

Cutting-edge CSF-leak closure techniques: The experts tell what truly works.

Facilitator: **Anand**

POINT / COUNTERPOINT

Light me up: Use of fluorescein in skull base management.

Where's Wally? CSF-leaks and how to find them.

High pressure CSF rhinorrhea: Planning the right algorithm.

CSF-leak closure in paediatric patients: The essentials.

The gasket seal closure.

Use of septal flaps in anterior skull base reconstruction.

Anand

Meco

Georgalas

Aly-Ibrahim

Emanuelli

Anand

Pistochini

VIDEOBOX

A challenging case of mine - How the Faculty would have done it, but this is what I did.

3 videos, 3 mins each: [Aly-Ibrahim](#), [Hassab](#), [Meco](#)

10:15 - 10:45 | Coffee Break in the Exhibitors Area

10:20 - 10:40 | Coffee-time Breakout "The Selected Speakers Corner"

10:45 - 12:30 | Session #5

Critical operative steps in safely handling of Inverted Papilloma (IP), Juvenile Angiofibroma (JNA) and Fibro-Osseous Lesions (FOLs).

Facilitator: **Battaglia**

POINT / COUNTERPOINT

Doing the dirty work: Revision surgery in inverted papillomas.

Change of perspective in the surgical technique and management of IP.

JNA: a new classification.

JNA: the good, the bad, and the ugly revisited.

Fibrous dysplasia: management issues you might overlook.

Osteoma: Technical nuances.

Battaglia

Georgalas

Schreiber

Janakiram

Prepageran

Karligkiotis

Dragonetti

VIDEOBOX

A challenging case of mine - How the Faculty would have done it, but this is what I did.

3 videos, 3 mins each: [Prepageran](#), [Schreiber](#), [Volpi](#)

STRUCTURED DISCUSSION & OPEN MIC

12:30 - 14:00 | Buffet lunch in the Exhibitors Area

12:40 - 13:40 | Lunch Symposium / FLO (Focussed Learning Opportunity)

14:00 - 15:15 | CASE-DISCUSSION ARENA #2

Sinonasal and skull-base malignancies: could histologically-oriented treatment be a potentially revolutionizing management modality? The endosurgeon's perspective.

Facilitator: **Nicolai**

POINT / COUNTERPOINT

Nicolai

Experts sitting in the dock: **Anand, Castelnuevo, Herman, Pasquini, Stammberger**

STRUCTURED DISCUSSION & OPEN MIC

15:15 - 16:00 | AFTERNOON AT THE MOVIES

Houston, we have a problem!

Facilitator: **Stammberger**

Operators: **Canevari, Herman, Janakiram, Kassam, Pasquini, Pozzi**

16:00 - 16:30 | Coffee break in the Exhibitors Area

16:05 - 16:25 | Coffee-time Breakout "The Selected Speakers Corner"

16:30 - 18:15 | **Session #6**

Sella, parasellar, clivus and beyond: new vistas on technical solutions?

Facilitator: **Cappabianca**

POINT / COUNTERPOINT

Cappabianca

Sellar approaches: A reasoned update.

Tommasello

Modular classification of transphenoidal approaches.

Doglietto

What's new in pituitary approaches.

Locatelli

Third ventricle craniopharyngiomas: is it possible through the nose?

Mazzatenta-Frank

Transnasal endoscopic approach to the cavernous sinus: Breaking paradigms.

Stamm

Clival chordoma radical resection: navigation, I.O. CT scan, or anatomy?

Van Furth

Endoscopic indocyanine green video angiography in skull base surgery. Technical nuances.

De Notaris

VIDEOBOX

A challenging case of mine - How the Faculty would have done it, but this is what I did.

3 videos, 3 mins each: **Doglietto, Janakiram, Van Furth - Geogalas**

STRUCTURED DISCUSSION & OPEN MIC

18:15 - 18:45 | ANATOMICAL PEARLS

When anatomy meets surgery

Solari

19:00 | **Adjourn**

7:45 | Opening: The day in review

Castelnuovo

8:00 - 8:30

KEYNOTE LECTURE

How to build up a team in the multidisciplinary era.

Castelnuovo

8:30 - 10:15 | Session #7

**Incorporating endoscopic orbital surgery into your armamentarium.
Patient's benefits and the endosurgeon's bottom line.**

Facilitator: **Dallan**

POINT / COUNTERPOINT

Dallan

Ideal framework for endoscopic transorbital surgery: Let's do it right this time. **Van Furth**

Endoscopic transnasal surgery for orbital lesions. **Stammler-Tomazic**

Transorbital approaches to lesions of orbit and middle fossa. **Janakiram**

Transorbital surgery: Lessons learned. **Locatelli**

Orbital lesions: 360° approach philosophy. **Pasquini**

VIDEOBOX

A challenging case of mine - How the Faculty would have done it, but this is what I did.

3 videos, 3 mins each: **Baban, Pasquini, Van Furth**

STRUCTURED DISCUSSION & OPEN MIC

10:15 - 10:45 | Coffee Break in the Exhibitors Area

10:20 - 10:40 | Coffee-time Breakout "The Selected Speakers Corner"

10:45 - 12:20 | Session #8

**The trans-boundaries of the skull base.
The practicalities of the multiportal approaches.**

Facilitator: **Castelnuovo**

POINT / COUNTERPOINT

Castelnuovo

State of the art multiportal approaches to the orbital and sphenoidal pathology. **Anand**

Indications for combined sub or transfrontal approaches. **Herman**

Multiportal combined transnasal transorbital endoscopic approaches. **Dallan-Locatelli**

Combined multiportal transnasal transoral approaches.. **Turri-Zanoni**

Future of multiportal skull base surgery. **Nicolai**

VIDEOBOX

A challenging case of mine - How the Faculty would have done it, but this is what I did.

3 videos, 3 mins each: **Anand, Dallan, Shawkat**

STRUCTURED DISCUSSION & OPEN MIC

GENERAL INFORMATION

MEETING VENUE

"**IL SOLE 24 ORE**" <http://www.gruppo24ore.com>
Via Monte Rosa, 91 – 20149 Milan
Underground (Line 1 red line): stop "Lotto"
Underground (Line 5 purple line): stop "Lotto"
Buses: 48, 49, 68, 78, 90, 91, 95

OFFICIAL LANGUAGE

English. No simultaneous translation

EACCME CREDITS

Requested.
EACCME credits are converted 1 to 1 to CME credits in the USA.

REGISTRATION

Registration fee includes: • tuition • teaching material • certificate(s) of attendance • coffee-breaks • buffet lunches.
Different registration options are available (see Registration Form)
On-Site registration: € 100 to be added

PAYMENTS - REFUND & CANCELLATION POLICY

See Registration Form

LETTERS OF INVITATION

On request, an official letter of invitation will be mailed to help overcome administrative problems and visas.
This invitation is not to be considered as covering fees or other expenses

REGISTRATION HOURS

SEGMENT # 1: Thursday, March 23 from 5:00 pm. Friday, March 24 from 6:30 am.
SEGMENT # 2: Sunday, March 26 from 10:30 am. Monday, March 27 from 6:30 am.

OPENING

SEGMENT # 1: Friday, March 24 at 7:00 am.
SEGMENT # 2: Sunday, March 26 at 1:15 pm

CLOSURE

SEGMENT # 1: Sunday, March 26 at 1:00 pm.

SEGMENT # 2: Tuesday, March 28 at 7:00 pm.

HOTEL ACCOMMODATION

A block of rooms have been reserved at the Melià Hotel.

You can proceed with your reservation through the congress website,

www.milanomasterclass.it.

Bed & breakfast options are also available on the Internet search engines.

SOCIAL DINNER

The Social Dinner will be held on Sunday, March 26 at 8:30 pm.

at the MUSEO DIOCESANO MILANO. (Corso di Porta Ticinese 95)

Booking can be made through the Registration Form.

Advance booking is requested as seating is limited.

EXHIBITS

The exhibitors are companies that distribute or produce surgical equipment, endoscopic instrumentation, medical and educational material.

The exhibit area will be open during all the breaks.

WEATHER

The temperature in March is normally 12 °C to 20 °C.

Clothing should be suitable for a mild, changeable climate.

BADGES

All registered participants, speakers and exhibitors will be given a badge, which they must mandatorily wear to allow admission to the scientific sessions.

INSURANCE

The organizers do not accept responsibility for individual medical, travel or personal expenses.

Registrants are strongly advised to take out their own personal insurance policies.
